

New member presentation - Huawei

Wu Yong
Sep 24, 2020

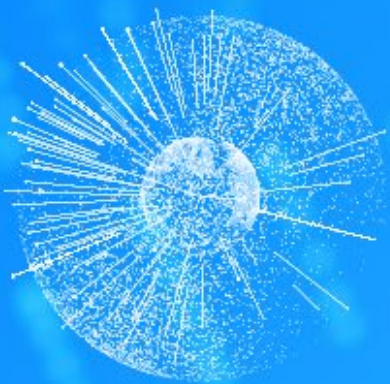

A young child is sleeping peacefully in a bed. The child is wearing a white t-shirt and is tucked under a blue blanket with a white star pattern. A unicorn-shaped toy is visible near the child's head. The background is softly blurred, showing a night scene with lights from a window.

Huawei's vision

Bring digital to every person, *home, and organization* for
a fully connected, *intelligent* world

5G is On

AI

Enabling Intelligent Operations

Based on an all-cloud network architecture, Huawei presents a full-stack, all-scenario AI capability, with the aim of building a steadfast "autonomous driving network" featuring automation, self-optimization, self-healing, and autonomy.
